

2027 Industry Partner P a c k a g e s

Welcome to 2027!

Dear Industry Partners,

Thank you! We are deeply grateful for your partnership and support. 2026 has been an incredible year for IREM Western Washington. We saw record-breaking engagement across our events, hosted our most successful Ring in the New Year Awards & Impact Gala yet, and strengthened the position of our board of directors as leaders driving innovation and collaboration across the region.

We also launched new committees dedicated to bringing additional communication and events to our calendar, ensuring that members and partners have more touchpoints, more value, and more opportunities to connect than ever before. These achievements were only possible because of the collective power of our partners and members.

As we look ahead to 2027, our goal is to build on this extraordinary momentum. With a dynamic calendar of events, high-quality education, engaged committees, and meaningful opportunities for networking, we are committed to creating even more value for our partners and the property management professionals we serve.

Your partnership fuels our mission and amplifies our impact. Together, we will continue to elevate our industry, strengthen our community, and celebrate the successes that make IREM Western Washington a leader in shaping the future of property management.

If you have any questions, please don't hesitate to reach out to Info@IREM27.org.

Respectfully,

The Board of Directors | IREM Western Washington
